Our standard brokerage rate is 10% of gross freight revenues and our standard payment terms are 30 calendar days following receipt of original bills of lading. If we receive payment from shipper sooner than 30 calendar days, you will receive payment at that time. We do not hold receipts in our account. If you require payment sooner, please contact us in advance so that this can be negotiated.

Unless negotiated otherwise and in advance, we do require original bills of lading for payment, delivery receipt, and any other documents required by the shipper. (Be sure to review the load confirmation from shipper for all documents required for payment.)

A lower brokerage rate may be negotiated on a case-by-case basis in advance of load acceptance. No exceptions.
